THE 38th KANNADA SAHITYA SAMMELANA, RAICHUR

Dear Sir,

The Reception Committee of the 38th Kannada Literary Conference has decided to hold an exhibition of the Publications in Kannada and inscriptions on copper plates etc., which depict the various aspects of the growth of Kannada literature and history of Karnataka and also of the developmental activities of the States of Hyderabad, Bombay, Mysore, Madras and Coorg with a special reference to the activities of the various nation building departments in the Kannada areas of these States. It would also like to include as part of the exhibition charts, documents and any other material which would present a picture of the natural resources of the Kannada areas of these States with the possibilities of exploitation of the same for the good of the country. This the Committee feels is in the fitness of things in as much as the long cherished desire of the Kannadigas of having a State of their own is being fulfilled It is also desirable as a means of bringing together the Kannadigas who live in these different States and making them better acquainted with each others merits.

Besides the Committee wants that an All-India picture of the Development conceived by the Government of India and the Planning Commission with the targets achieved so far should also be presented to the visiting delegates and others. Because of the historic importance of this Session it is expected that a large number of delegates and visitors will attend the Session. We request you to cooperate with us in this national work and send exhibits for the exhibition. The exhibition will last for five days.

The Conference begins on the 25th of December 1955, and the exhibition also will be opened on the same day. Since the time left for organizing the exhibition is too short it is earnestly requested that speedy action is taken and the Committee is communicated of the desire of the Government to take part in the exhibition together with the number of stalls that will be required.

A copy of the rules is herewith sent for your kind reference.

Thanking you,

Yours faithfully,

Sd/- L.K. Shroff, MLA,
Convener,
Exhibition Committee.

1) With reference to your letter No.C.&.D.5294 dated 12th December 1955 asking me for a report on the subject, I write to state that the Department of Archaeology has been putting up exhibitions on Mysore Architecture and Art in connection with the Conferences like the one mentioned above.

2) This exhibition of the Department of Archaeology will throw a lot of light on the cultural development of Karnatak and would be a source of great attraction to visitors and scholars. It is therefore necessary that the Department should put up a good show at this exhibition. I propose that a member of the staff of this Department may kindly be deputed to take the exhibits for purposes of display at

the exhibition. The cost on this account may come to about Rs.150/- and may be met out of the budget grant under Contingencies for the current year.

I shall thank-you for permitting the Department to participate in the Exhibition.
